## Drivetech 4x4 Bumper by Rival to suit Nissan Navara NP300

Now available, Drivetech 4x4 Bumper by Rival to suit Nissan Navara NP300.

The Drivetech 4x4 Bumper by Rival provides an excellent amount of strength and protection without the disadvantage of a heavy steel bar. Integrated recovery points, LED fog / driving lights and winch mount, allow for fitment no matter what your needs. Stylish and functional, these bars come in a matte wrinkle style black finish and are designed for ease of fitment with or without Drivetech 4x4 Underbody Armour by Rival.

These bumpers have been independently tested and comply to meet ADR69 standards and are Air Bag compliant.

- 6mm alloy
- Winch compatible
- ADR69 and airbag compatible
- Flush Mount LED lights included

Part Number: DT-2D41121B
